

# BEAUTY ROUND-UP

NO TIME to go to the salon? That's what I thought before visiting Nyumba, owned by the charismatic Michael Charalambous. Before I knew it, Michael and his team had got to work on a full-body MOT, including a pedicure from Sonita, amazing reflexology from Danuta,

eyebrow threading and tinting by Deepa, make-up by Joanna, a hair cut from Michael and a blow-dry from Adnan, all at the same time and in a little over an hour! You do have time for Nyumba.

**BLOW-DRIES, brows and beauty.** Aer is the new salon that offers a simple menu of beauty treats, but it's good at what it does. Open for those morning meetings and late-night dates (from 7.30am-7.30pm Monday-Thursday, 7.30am-8.30pm Friday and 9am-8pm Saturdays), pop in for a spruce-up and a glass of bubbly. Beautiful décor, too.
